SYCAMORE CREEK WATERSHED ACTION PLANS

COMMENT CARD ACCEPTED ANYTIME

Thank you for assisting us to identify priorities and opportunities for developing action plans to improve the quality of life in the Sycamore Creek Watershed. To assist the work of the technical experts, we would like your perspective on the issues and priorities.

Please use this sheet to record any ideas, overall comments or questions you would like to raise regarding tonight's discussions of Santa Barbara's Sycamore Watershed Action Plan.

Please return comments to City of Santa Barbara Parks and Recreation, Creeks Division, 620 Laguna Street, Santa Barbara, CA 93101 or email to JZachary@SantaBarbaraCA.gov. For more information go to www.sbcreeks.com, call 897-2658, or email: JZachary@SantaBarbaraCA.gov.
